This serves to acknowledge receipt of your grievance appeal to the Facility Manager for the grievance noted above. In accordance with the provisions of DC-ADM 804, "Inmate Grievance System Policy", the following response is being provided based on a review of the entire record of this grievance. The review included your initial grievance, the Grievance Officer's response, your appeal to me and any other documents submitted.

Decision: Uphold Response

It is the decision of this Facility Manager to uphold the initial response, uphold the inmate, dismiss, or Uphold in part/Deny in part. This response will include a brief rationale, summarizing the conclusion, any action taken to resolve the issue(s) raised in the grievance and your appeal and relief sought.

Response:

Mr. Shegog:

I have reviewed your grievance, the Grievance Officer's response and your appeal to the Facility Manager.

In your grievance dated 3/23/20, you are grieving on this same date an incident that occurred at your work place, Correctional Industries.

The Grievance Officer assigned to your grievance was Lt. Jadlocki. Following his investigation into your grievance, he ultimately was able to find no validity and in fact ultimately determined that your allegations were fabricated. He denied your grievance and deemed it Frivolous.

You have appealed to the Facility Manager and provide nothing that refutes the Grievance Officer's findings and now have added additional points that were not addressed in your original grievance.

Mr. Shegog ultimately, I must concur with the Grievance Officer and I am upholding their response to include the determination of Frivolous.

MRC/aae

☒ Frivolous:

The Facility Manager upholds the determination of this grievance as Frivolous.

Appeal from Decision of Facility Manager

1. Facility Mgr. was in error stating I added additional points not in grievance. My grievance had 3 points. 1-I never received a initial response. The original grievance Lt. Barner is written at bottom. 2-C.O Gronal confronted me about a grievance. 3-That the C.O used abusive language. All 3 issues are in my original grievance.

2. Facility Manager stated I grieved same day as an incident occurred at work place. Policy states all incidents must be reported. On above date no misconduct was issued. Because I did nothing wrong I was confront about a grievance that I wrote #848548.

-Facts in Support for Review-

C.O. Gronal confronted me about a prior grievance and used abusive language. I never received Initial Response Review. Only to hide the Retaliation- An act of vengeance or threeat of action against an inmate or staff in response to an inmate complaint of a problem. Inmate Name: SHEGOG, JOSEPH WILLIAM DOC #: GM1483

 Grievance #: 857358

This serves to acknowledge receipt of your appeal to the Secretary's Office of Inmate Grievances and Appeals for the grievance noted above. In accordance with the provisions of DC-ADM 804, Inmate Grievance System Policy, the following response is being provided based on a review of the entire record of this grievance. The review included your initial grievance, the Grievance Officer's response, your appeal to the Facility Manager, the Facility Manager's response, the issues you raised to final review, and (when applicable) any revised institutional responses required as a result of a subsequent remand action by this office. As necessary, input from appropriate Central Office Bureaus (e.g., Health Care Services, Chief Counsel, Office of Special Investigations and Intelligence, etc) may have been solicited in making a determination in response to your issue as well.

Decision: Uphold Response

It is the decision of the Secretary's Office of Inmate Grievances and Appeals to uphold the initial response, uphold the inmate, or Uphold in part/Deny in part. This response will include a brief rationale, summarizing the conclusion, any action taken to resolve the issue(s) raised in the grievance and your appeal and relief sought.

Response:

You claim that on 3/23/2020, the CI Shop Supervisor, Mr. Martin, called all inmates without face masks and stated that all inmates had to wear a mask. You say that you questioned him whether it was mandatory because you had been told that wearing face masks was optional. You state that CO Gronal answered very aggressively and used abusive language towards you, when all you did was ask a question. You claim that CO Gronal told you to get out and that you had better find a new job. You allege that this was in retaliation for a prior grievance, and that CO Gronal violated the Code of Ethics. You request no more retaliation, that your livelihood is not taken away, \$50,000.00, that the retaliation is documented, and that you not lose your job because of the color of your skin.

A review of the record found that the Grievance Officer investigated your claims and found that they were fabricated. In your Appeal to the Facility Manager, you allege that CO Gronal had confronted you about a prior grievance; however, in your initial grievance you claim that his alleged actions were due to you questioning Mr. Martin's directions. Information and relief not mentioned in your initial grievance will not be addressed at final review. There is no evidence of retaliation or discrimination. Your grievance and requested relief are denied.
